FEEDBACK

Q1 My organisation's needs and expectations of the NAHIP are being met.				
Strongly agree	Agree	Undecided	Disagree	Strongly disagree
Please explain your answer, including any suggested changes: NAHIP functions satisfactorily to meet jurisdictions' data submission requirements to DAWE.				

Q2 The outputs of NAHIP, such as the Animal Health in Australia report, Animal Health Surveillance Quarterly and the interactive data map are credible and robust.				
Strongly agree	Agree	Undecided	Disagree	Strongly disagree
Please explain your answer, including any suggested changes: Improvements have been ongoing to provide more consistency across jurisdictions for the data submitted to the NAHIP database.				

Q3 The format and protocols in place for uploading and transferring national surveillance data are fit for purpose.				
Strongly agree	Agree	Undecided	Disagree	Strongly disagree
Please explain your answer, including any suggested changes: Current spreadsheet is extremely detailed, could benefit from a similar style of instructions as for the new AHSQ summary tables.				

Q4 NAHIP satisfies national surveillance data and reporting requirements.				
Strongly agree	Agree	Undecided	Disagree	Strongly disagree
Please explain your answer, including any suggested changes: WA has provided data to NAHIP as advised by DAWE to meet national surveillance data and reporting requirements.
